A TRIBUTE TONY BENNETT & FRIENDS IN CONCERT

🌐 www.vanzmediavegas.com

Tony Bennett & Friends

This Tribute will chronicle the life and times of the great Tony Bennett, re-enacting some of his most iconic performances. Tony will be joined by performers playing Lady Gaga, Stevie Wonder and Michael Buble. They will be performing some of the amazing Duets that helped catapult Tony into the main stream pop category. Cast members include veteran music producer and performer Andrew Van Slee.

Van Slee produced Michael Buble and launched many successful careers including new pop sensation Lauren Spencer-Smith. He also toured with "Relive the Music" playing Frank Sinatra & Bobby Darren. Golden Buzzer Winner Makayla Phillips joins the cast with her amazing vocal skills and talent. Makayla got the Golden Buzzer on Americas Got Talent and was a TOP Finalist on American Idol. This singer, actress, model and dancer has a very successful YouTube Channel and is working on launching her next album.

Southern Cali native Dru Young joins the cast as Stevie Wonder, Ray Charles & Sammy Davis Jr. His incredible soulful voice will have you up on your feet! Dru starred in "Iconic Soul" a Motown Tribute show here in Las Vegas. Dru has many projects on the go and also works with some major TV Networks. If you love Buble, you are gonna love Connor Ross. This silky smooth Crooner is from the Utah area. He has performed many live concerts and is currently working on his debut album. * Cast Varies per show.
